Commercial Vehicle Inspection Program Course Outline

Introduction

This course is required for journey person mechanics wanting to become certified as Commercial Motor Vehicle Inspectors. **Due to recent changes implemented by CVSE, a practical portion is now required to be included with the CVIP course. This 3-day course will include two days of theory and one day of practical.**

Prerequisites include Journey Person status in Commercial Transport Mechanical Repair, Commercial Transport Trailer Repair, Heavy Duty Mechanical Repair or Automotive Repair Trades.

Apprentices who have reached level three or four in any of the above trades can also participate in the course but will not receive their Inspectors Certificate until they become certified mechanics.

Participants are eligible to receive Authorized Inspectors Certification upon successful completion of the course.

Course Content

This course will cover the following content:

- Classes of motor vehicles,
- Motor Vehicle Act and Regulations,
- Designated Inspection Facility Program,
