

**job opportunity**

## **AUTOMOTIVE MECHANIC | COBRA ELECTRIC SERVICES**

Are you interested in being a fleet mechanic and a part of a great team? An exciting career opportunity exists at Cobra Electric Services for a Journeyman Automotive or a 4<sup>th</sup> year Apprentice Mechanic. This position will be tasked with maintenance, repairs, and inspections of company vehicles and equipment. This full-time position will be based in Cobra's shop/yard in Port Kells, BC. The schedule is 40hrs/week Monday-Friday.

What you bring:

- B.C. Certificate of Qualification, and/or Interprovincial Ticket as an Automotive Mechanic OR currently in the 4<sup>th</sup> year of an Automotive Mechanic Apprenticeship.
- Valid class 5 driver's license. Air endorsement is an asset.
- Commercial Vehicle Inspection Certification is an asset.
- Team player with a positive attitude.
- Capable of performing heavy physical duties.
- Safety conscious.
- Experience with CVIP, NDT and Annual Inspection requirements is an asset.
- Knowledge of the National Safety Code (NSC) regulations is an asset.
- Skilled with computer diagnostic programs and online garage management programs

This role involves a range of job duties, which include, but are not limited to:

- Completing various minor repairs to fleet equipment including cargo trailers, pickups, mobile air compressors, asphalt saws and forklifts.
- Documentation of all maintenance and repairs with an online work order system.
- Performing preventative maintenance inspections and repairs, maintenance and repairs to bucket trucks and cranes to meet OEM and regulatory requirements of CVSE, National Safety Code, and WorkSafe BC is a priority for this fleet.
- Work with shop supervisor to schedule fleet vehicles in for maintenance, repairs, and trip inspections.

4<sup>th</sup> year apprentice \$40.50/hr, TJM \$45.00/hr

If you are excited to be a part of our dynamic and expanding team, we invite you to apply by submitting your resume to **[www.mainroad.ca](http://www.mainroad.ca)**.
