Another Successful Tournament!

CAFS 4th tournament at Redwoods Golf Course in Langley on Tuesday, June 20th did not disappoint!

CAFS tournament was busting at the seams with an overfull slate of 156 golfers. Two groups started on each hole plus an additional group on 3 of the holes! Again, a full support of sponsorship with more than 30 generous sponsors that made the day complete!

This year's Sports theme had golfers wearing their favorite team jersey! Add to that a team of referees, some sports drinking hats and horns, as well as decorated carts with sports banners! This year the Board of Directors were dressed in old school football helmets and football jerseys with the blacked out under eye stickers to make the costume complete. Lori came appropriately dressed as a referee.

In keeping with the sports theme, registration time gave each golfer a cup of pretzels or popcorn.

Awaiting each golfer in their carts, compliments of **Dieseltech**, was a t-shirt and a sports whistle for each! It was a sporty kinda day.

Once again **Kal Tire** generously sponsored the Tailgate Party which gave all golfers a chance to mingle and start the day with a breakfast sandwich and a beer! They go together, don't they?! Although we had some rain during the tailgate party, it only served to enhance by keeping our group all together under the big tent for mingling.

2017 GOLF TOURNAMENT WRAP-UP

(Continued from page 3)

Prior to the 11 a.m. shotgun start time golfers participated in a Mega Putt contest, sponsored by **Columbia Fuels**. All golfers gather around the putting green and all 156 golfers putted at one time. Chaotic fun! Demolition derby golf balls. This year we even had one successful sunk putt! Visit CAFS website for short video of the Mega Putt competition and group photo....

COLUMBIA FUELS

A chipping contest was held during the round on hole #1, with thanks to sponsor **ADESA**, where golfers took a chance to win by chipping into a cooler. This cooler was then filled with prizes and awarded to the winner.

As always, golfers look forward to this tournament tradition BBQ. Beef on a bun was this years fare sponsored by **Fountain Tire**.

Others sponsored with a KP, Long Drive, Straight Drive or Longest Putt contest. Thanks so much to these sponsors who ensured there were snacks and drinks too.

A welcome addition was the tuna poke snacks, provided by the **Sandman/Moxies Restaurant**. These were happily devoured because they were so good.

Thanks to our **2 Hole-in-One** sponsors, giving everyone a chance at sinking a ball for some awesome prizes.

On #3, **MaX-Quip & Magnuson Ford** sponsored a Ford F150 Truck... not just one, but as many as could be won!

Sadly no winners, but there was a lucky closest to the pin winner.

(Continued on page 5)

(Continued from page 4)

What's better than one Hole-in-One prize? Two!!

Thanks to **Valley Driving School** for their Hole-in-One prize of a motorcycle of your choice from GA Checkpoint Yamaha and rider training courtesy of Valley Driving School. Again, no Hole-in-One but a winner of the closest to pin!

Score cards sponsor **Tirecraft** was given the opportunity to have their company logo on each and every score card. 

The day's events continued into the evening with a banquet dinner and prizes.

Thank you to **Dieseltch** for a very generous Banquet Dinner sponsorship. Your contribution helps CAFS top off a great day of golf!

The feast prepared by Redwoods chefs were guests choice of BBQ steak or chicken dinner, both complete with all the fixings. As a bonus this year to round out the meals, diners were each given a skewer of delicious prawns.

The Banquet Dessert was delicious strawberry shortcake, and each dish came with a banner noting sponsor **Vancouver Axle & Frame**.

A 'best ball format' is used at CAFS tournament, which enables all levels of golfers to have a fun day. CAFS tries to ensure that everyone enjoys their day! In order to award prizes to teams when there are multiple teams with the same score, Redwoods uses retrogression scoring. With this in mind, two random team scores were pre-selected by Redwoods.

Winning team 1 received some fantastic golf bags & golf balls, sponsored by **Michelin**.

Group 3A - Random score of 75

Ryan Willson / Drive Products
Ralph Johnston / Drive Products
Willie Stephe / Maxquip
John Wayne MacMullin / Magnuson Ford
Presenting prize...
(far right) Michelin's Nick Wilson & Blair Hokanson

The other winning team won a round of golf (for any time play!), compliments of the venue,
Redwoods Golf Course.

Group 14A - Random score of 68

Cameron Friesen/Alliance Concrete Pump
Ken Friesen / Alliance Concrete Pumps
Terry Friesen / Inland Group
Dave Boyle / Inland Group

This group was definitely the most honest, but I'll bet was also one of the teams that had the most fun!

There's always a 'most honest' team, or team with the highest score. Each was awarded a cash prize for their efforts. As well, the group had their photo taken with the prestigious shoe-in trophy award.

Group 6A - Random score of 84

Dan Morrison & Brad Halco / Dieseltech
Rico Pretty/The Brick
Keith Middleton / Dieseltech

It's always fun to know which team got the lowest score of the day. This year's low score achieved by the CMW Insurance Group.

Group 9C - Random score of 61

Rob ten Vaanholt
Stewart Shearar
Rob Shearar
Jurgens Bosman

Each of the group received a cash gift for their efforts, and a coveted photo with the 1st place golf trophy! Each golfer also received a small take home trophy in recognition of their efforts.

Next up was awarding all the KP's, KP in 2's, Long Drives, Straight Drive, Long Drives and Longest Putts! CAFS tournament encourages all levels of play to be involved and win prizes. It's an opportunity to network and enjoy the day with your CAFS's friends. With this in mind, each golfer was entitled to be awarded "one" of the awards for the KP's, Long Drive's, Straight Drive, Longest Putts. This allowed more golfers the opportunity to participate in receiving prizes. CAFS is happy to share the prizes around. Congratulations to those who won prizes and to those who had a super great round of golf and got their names on more than one of those cards.

It's great to see the extent of participation for the 'best dressed foursome'. Each year just gets better and better making it harder to select. Once again we borrowed Redwoods Staff to make the decision.

It was a tough decision but **Best Dressed Foursome went to the West Coast Reduction** team with their homemade sports costumes. Their costumes were a typical all round sports fan... with

drinking hats, horns, flags and even decorated carts with flags!

Honorable mention goes to the Dieseltech group, with their referee outfits. Individual costume award had to go to our "sports mom", Chris Richardson. Thanks for the chuckle you gave our group Chris.

Peter Congdon, CAFS ABI Instructor

Put CAFS's wealth of knowledge and industry trainers to work for you!

Our instructors are top-quality and have many years experience in their related fields of training.

Air Brake Instructor Certification

A Provincial Government Approved Course

This ICBC approved program is designed to give participants the knowledge to effectively prepare and deliver an air brake course.

The course concentrates on instructional methods and technical content for air brake systems.

Course content includes topics of instructional procedures such as lesson plans, coaching, effective teaching techniques, questioning techniques and developing multiple choice questions.

Technical content includes topics on the basic air brake system, dual air brake system, trailer air brake systems, brake adjustment and air brake valves.

Each student is given an opportunity for "hands on" experience in assembling and instruction using a fully operational air brake board. The air brake board has fully interchangeable components and is capable of simulating all types of air brake systems.

Each student is required to develop and present two 45 minute presentations to the class. Topics will be on air brake systems and the instructor will allocate the topics on the first day of class.

Each student must obtain 80% on each presentation to pass the course. An informational entrance exam is given on the first day and a final theory exam is given at the end of the week. Each participant must obtain 80% on the final theory exam to be successful.

Each student is given a "Driving Commercial Vehicles" handbook, a course manual which includes technical information and Provincial And Federal air brake regulations.

NOTE: please confirm course admission requirements with office

Upcoming Course Dates:

October 23rd - 27th, 2017
December 4th - 8th, 2017

Time: 8:30 am - 4:30 pm daily
 Location: Langley, BC
 Cost: \$720 Member / \$900 Non-Member

- * Maximum 8 students per class
- * Course fee includes course material
- * The following manuals are optional, and will be available for purchase at the course;
 - \$30 - Air Brake Connection manual
 - \$30 - Inside Air Brake Valves + Devices

Commercial Vehicle Inspection Program

Provincial Government recognized Certification Course upon successful completion

As is a CAFS tournament custom, a group photo was the souvenir of the day; one for each golfer, taken and supplied once again by Kal Tire. These photos are a great way to remember your day and perhaps some new friends you made. Check out CAFS website for the special edition 2017 Golf Team Photo Album.

Thanks to those who brought some really great door prizes. A nice grand door prize draw was a Golf Bag & accessories compliments of CBS Parts. (see page 21 For winner's picture)

The evening concluded with a final cash draw of the evening for \$350! Lucky winner Darrell Walker of Smithrite went home with a fatter wallet than when he arrived.

All feedback received indicates CAFS tournament continues to just get better and better each year! CAFS is proud of the success of this tournament, and we thank all the golfers and sponsors, as the tournament would not be the same without you!

Please remember to show your appreciation to all the tournament sponsors! **Support those who support us!** See page 28 & 29 for all the 2017 sponsors, as well as view the list and see tournament day photos on CAFS's website.
