Of course there was the ever popular 'Last Person Standing' game with cash AND basket prizes!

The 10th card drawn wins \$10, the 20th card drawn wins \$20, the 30th card drawn wins \$30, and the 40th card drawn wins \$40.

We continue to draw cards until there are only 2 people left standing...

The second to last person standing receives a gift basket

The Last person standing is the grand winner of both a gift basket and \$50

Heads & Tails Game

Wondering how this works?

1. Everyone who wants to take part stands up
2. Each person will then choose either heads (hand on your head) OR tails (hand on your bum)... Note this VERY important rule... only your bum, no-one else's!
3. Now the fun part... the coin flip. If it's heads, everyone with tails sits down. If it's tails, everyone with heads sits down.
4. We will continue-on with the coin flip and persons choice of heads or tails, eliminating contestants until we have one person left standing...
the winner of the game and the lucky recipient of a bottle of fine wine.

A CAFS Christmas tradition... 'The Twelve Days of Christmas'

We wrapped up the evening with the popular and always fun sing-along!

Everyone receives a copy of the Twelve Days of Christmas song.

As a group, everyone sings the parts in **BLUE**.

The parts in **RED** are sung only by those with birthdays in that particular month.

Each month of the year corresponds to the numbered 'gifts' in the song.

The players stand up and sing along with others who have birthdays in the same month as the number of gifts in the song phrase .

For instance, all those with a birthday in January will stand up and sing 'A Partridge in a Pear Tree'... February: 'Two turtle doves'... March: 'three French Hens... and so on.
